

Advertisement for the position of Research Assistant for sponsored project

Applications are invited from the eligible and interested candidate for **one** post of **Research Assistant (RA)** on project titled” **Wear, Corrosion and impact toughness of the high nitrogen martensitic stainless steel**

Essential Qualification:

The candidates possessing First class B.E. / B.Tech Degree from Metallurgical / Mechanical Engineering are eligible. The higher qualification like master degree (M.Tech. /M.E.) with minimum of 55% marks in the subject concerned will be given preference. The candidate to be appointed as RA should be below the age of 35 years at the time of appointment. The appointment is purely on temporary basis. Experience in cryogenic treatment is desirable.

Nature of Engagement: RA is expected to perform research work as proposed in the Research proposal.

Duration of the project: Total Two years

Fellowship: Rs. 20,000/- per month consolidated.

Principal Investigator: Dr.N.B.Dhokey

Application with accompanying bio-data must be submitted within 10 days from the date of this advertisement to the following address-

Head of the Deptt.

Department of Metallurgy and Material Science

College of Engineering

(An Autonomous Institute of Govt. of Maharashtra)

Shivajinagar, Pune – 411 005

Email: hod.meta@coep.ac.in

The last date for submitting application by email with detailed biodata in One Single file is 12 August 2017 by 12.00 noon.

Dean (R and D)

Advertisement for the Position of Research Assistant for ISRO Sponsored Project

Applications are invited from the eligible and interested candidate for **one** post of **Research Assistant (RA)** for the project titled "**Development of aluminium nitride and alumina based ceramics for high temperature electrical insulation**"

Eligibility Criteria:

The candidate possessing First class B.E./B.Tech degree in Metallurgical/Mechanical Engineering are eligible to apply. The candidate to be appointed as RA should be below the age of 35 years at the time of appointment.

Desirable Qualifications and Experience:

- 1) M.E./M.Tech in the branches of Metallurgical/Mechanical Engineering as approved by AICTE.
- 2) Students who are expected to complete their M.E./M.Tech by August 31,2017 are encouraged to apply.
- 3) Students possessing hands on experience in ceramic processing and their electrical characterisation.

Nature of Appointment: The appointment is purely on the temporary basis.

Nature of Engagement: RA is expected to perform research work as proposed in the research proposal.

Duration of the Project: Total two years

Fellowship: Rs. 12,400/- per month

Principal Investigator: Mr. K.R. Kambale

Application with accompanying bio-data must be submitted within 10 days from the date of this advertisement to the following address.
